DEBTORS' MOTION TO ENFORCE THE AUTOMATIC STAY AND FOR CIVIL CONTEMPT

The above-captioned debtors and debtors in possession (collectively, the "<u>Debtors</u>") respectfully state the following in support of this motion (this "Motion"):

INTRODUCTION

1. Since the Debtors filed their Chapter 11 petitions on July 13, 2022 (the "Petition Date"), Core Scientific, Inc. ("Core Scientific") has knowingly and repeatedly violated the automatic stay provisions of 11 U.S.C. § 362(a). Debtor Celsius Mining LLC ("Celsius") has informed Core Scientific of its violations, but Core Scientific has refused to conform its conduct. Celsius has been left with no choice but to seek Court intervention to protect itself and the estate's assets.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Celsius Network LLC (2148); Celsius KeyFi LLC (4414); Celsius Lending LLC (8417); Celsius LLC (1387); Celsius Network Inc. (1219); Celsius Network Limited (8554); Celsius Networks Lending LLC (3390); and Celsius US Holding LLC (7956). The location of Debtor Celsius Network LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 121 River Street, PH05, Hoboken, New Jersey 07030.

- 2. Core Scientific's violations of the automatic stay are many and ongoing. *One*, Core Scientific is refusing to perform the contractual obligations it owes to Celsius under the parties' Master Services Agreement ("MSA") and Order #10 to the MSA ("Order #10") (together, the "Agreement"). *Two*, Core Scientific has threatened to terminate the Agreement until Celsius pays its pre-petition obligations. *Three*, Core Scientific has started adding improper surcharges, called "Power Costs Pass-through," to Celsius' invoices following the Petition Date—charges that only arose after the Bankruptcy filing, that constitute a breach of the fixed-price structure of Order #10 (and the preceding orders), and that are an illegitimate attempt to setoff Celsius' pre-petition debts.
- 3. Because Core Scientific has refused to live up to its obligations and honor the automatic stay, pursuant to Sections 105(a), 362, and 365 of the Bankruptcy Code and Rules 9014 and 9020 of the Federal Rules of Bankruptcy Procedure, the Debtors file this Motion and seek entry of an order: (i) holding Core Scientific in civil contempt for having violated the automatic stay of Section 362 of the Bankruptcy Code; (ii) directing Core Scientific to perform under its Agreement with the Debtors; (iii) ordering Core Scientific to immediately return any improperly invoiced amounts and cease any collection efforts for "Power Costs Pass-through" charges; and (iv) assessing appropriate damages for Core Scientific's civil contempt, including, but not limited to, the costs and attorneys' fees associated with bringing this Motion and actual damages Celsius has incurred after the Petition Date arising from Core Scientific's violations of the automatic stay.

JURISDICTION AND VENUE

4. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference from the United States District Court for the Southern

District of New York, entered February 1, 2012. This is a contested matter pursuant to Federal Rules of Bankruptcy Procedure 9014 and 9020. *See* Fed. R. Bankr. P. 9014 ("In a contested matter not otherwise governed by these rules, relief shall be requested by motion, and reasonable notice and opportunity for hearing shall be afforded the party against whom relief is sought."); Fed. R. Bankr. P. 9020 ("Rule 9014 governs a motion for an order of contempt made by the United States trustee or a party in interest."); *In re Chief Exec. Officers Clubs, Inc.*, 359 B.R. 527, 531 (Bankr. S.D.N.Y. 2007) (Glenn, J.) (treating civil contempt request as a "contested matter"); *see also In re Yerushalmi*, 2011 WL 65739, at *1 (Bankr. E.D.N.Y. Jan. 10, 2011) (same).

- 5. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent to the Court entering a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.
 - 6. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
- 7. The statutory bases for the relief requested herein are sections 105(a) and 362 of title 11 of the United States Code.

BACKGROUND

A. The Agreement

8. On December 18, 2020, Core Scientific and Celsius entered into the MSA,² in which Core Scientific agreed to provide certain services in connection with Celsius' digital-asset mining rigs, including services relating to colocation, hosting, monitoring, maintenance and repair, technical support, and heat and thermal management. *See* Lawlor Decl., **Exhibit A** ("MSA"), § 1(a). Core Scientific agreed to perform its obligations under the MSA in a

² The Agreement was executed by Celsius Core LLC, which is the former name of Debtor Celsius Mining. Declaration of Quinn Lawlor ("<u>Lawlor Decl.</u>") $\P\P$ 1, 3.

"professional and workmanlike manner." *Id.* § 5.

- 9. The parties further agreed that the MSA would be supplemented by certain "Orders," which would identify the rigs to be deployed, the deployment schedule for those rigs, and the terms of payment. *Id.* § 1(a). At the time the parties entered the MSA, they simultaneously entered and executed Order #1 through Order #7. *See id.* at 10–23. The parties later signed Order #8, but they subsequently cancelled it and refunded all deposits. *See* Lawlor Decl. ¶ 4. On August 22, 2021, Core Scientific and Celsius signed Order #9, which concurrently terminated Order #5. *See id.*, **Exhibit B** at 1. On September 27, 2021, Core Scientific and Celsius signed Order #10. *See id.*, **Exhibit C** ("Order #10").
- 10. Order #10 obligates Core Scientific to provide a specified power allocation beginning in certain months of the contract. It details this power allocation by identifying the deployment month (e.g., "Sep[tember] 2021"), the approximate quantity of rigs to be deployed (e.g., "2,250"), the type of rig ("M30S+ or Equivalent"), and the assumed power consumption per rig in "KWh" or kilowatt hours (3.57 KWh), as follows:

Equipment hosted**:	Deployment Month	Quantity & Type of Unit (the "Units")	Assumed power consumption per Unit (KWh):
	SEP 2021	2,250 - M30S+ or Equivalent	3.57
	MAR 2022	3,530 - M30S+ or Equivalent	3.57
	APR 2022	4,710 - M30S+ or Equivalent	3.57
	MAY 2022	2,350 - M30S+ or Equivalent	3.57
	JUNE 2022	2,350 - M30S+ or Equivalent	3.57
	JUL 2022	2,350 - M30S+ or Equivalent	3.57
	AUG 2022	2,350 - M30S+ or Equivalent	3.57
	SEP 2022	2,350 - M30S+ or Equivalent	3.57
	OCT 2022	2,350 - M30S+ or Equivalent	3.57
	NOV 2022	2,350 - M30S+ or Equivalent	3.57
	DEC 2022	2,350 - M30S+ or Equivalent	3.57

See Order #10 at 1.

11. The monthly power allocation is calculated by multiplying the specified quantity of rigs by the assumed power consumption per rig. Lawlor Decl. ¶ 6. The power allocation is

cumulative month over month, such that, by the end of the term of Order #10, Core Scientific must provide up to 105 megawatts ("MWs") of power to Celsius. *Id.* Relevant here, as of September 2022, Core Scientific is obligated to provide up to 79.4 MWs of power to Celsius. *Id.*

12. The Agreement also requires Core Scientific to notify Celsius of additional hosting availability as it becomes available. Order #10 at 4–5. Order #10 states:

[Core Scientific] will notify [Celsius] as soon as practicable of additional hosting availability, if any, and provide [Celsius] up to 10 additional MW per month at a hosting services rate of \$0.0625 per KWh. Additional hosting availability if available will be the subject of a separate order and provided to [Celsius] on a priority basis, subject to [Celsius'] acceptance.

Id. at 4–5 (emphasis added).

13. In exchange for these services, Celsius agreed to pay Core Scientific an up-front fee along with a series of additional monthly prepayments. *Id.* at 1–3. The monthly prepayment amount is based on estimated power usage for the upcoming month, which then is subject to a "true up" in the next billing cycle based on Celsius' actual usage. *See id.* at 4. Order #10 has fixed-rate pricing for hosting services (the "Hosting-Services Rate"). *Id.*; Lawlor Decl. ¶ 7. The Hosting-Services Rate includes the cost of energy and services for operating rigs. Lawlor Decl. ¶ 7. In September 2021, the Hosting-Services Rate was fixed at \$.0575/KWh; in March 2022, the rate was fixed at \$.0594/KWh; and from April 2022 through December 2022, the rate is fixed at \$.0625/KWh. *Id.* ¶ 7; Order #10 at 1. In the section titled "Fees," Order #10 states that Celsius' fees will be determined "by reference to the Assumed power consumption per Unit of each deployed Unit, multiplied by the Hosting-Services Rate (*each as set forth above in this Order*)." Order #10 at 4 (emphasis added).³

³ The preceding orders (Orders #1 through #9) similarly had a fixed-rate pricing structure. Lawlor Decl., <u>Exhibit A</u> at 10–23, <u>Exhibit B</u> at 1, <u>Exhibit C</u> at 1.

- 14. Because Order #10 and the preceding orders are fixed-price agreements, they do not permit Core Scientific to pass through increased power costs. Lawlor Decl. ¶ 7. To the contrary, Section 4(f) of the MSA allows Core Scientific to "pass through" only "new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services"—but not increased power costs. MSA § 4(f) (emphasis added). For Celsius, the fixed Hosting-Services Rate under Order #10, and the preceding orders, were an essential term of the parties' agreement because it meant that Core Scientific, not Celsius, would bear the risk of rising power rates. Lawlor Decl. ¶ 7.
- 15. To date, Celsius has paid approximately \$18.2 million under Order #10 and has continuing payment obligations of approximately \$5.4 million under Order #10. *Id.* ¶ 9.

B. Core Scientific's Failure to Deploy Celsius' Rigs

- 16. Celsius has delivered 10,885 rigs into Core Scientific's possession under Order #10. To this day, Core Scientific is deploying only 6,564 of Celsius' rigs and is providing Celsius with only 21.5 MWs of power. Lawlor Decl. ¶ 10; Order #10 at 1. But Celsius is entitled to 79.4 MWs as of September 2022, which is the hosting capacity to operate approximately 22,000 rigs of the type specified in Order #10. Lawlor Decl. ¶ 10; see Order #10 at 1. Thus, Core Scientific's current shortfall under Order #10 is 58 MWs of power and at least 15,700 rigs. Lawlor Decl. ¶ 10.
- 17. Core Scientific's current shortfalls are a direct consequence of its pre-petition conduct. Since the MSA was signed, Core Scientific has performed a now-familiar routine: it delays deployment of Celsius' rigs; it follows those delays with empty promises to catch up; and it follows those promises with even more delays, in contravention of the Agreement and its own interim representations.

- 18. Celsius delivered its 10,885 rigs under Order #10 to Core Scientific in three tranches prior to the petition, and each time, Celsius had to wait months for its rigs to come online. *Id.* ¶ 11. For nearly half those rigs, Celsius is still waiting. *Id.* ¶ 15. Celsius delivered an initial tranche of 2,245 rigs to Core Scientific between the end of October and mid-November 2021. *Id.* ¶ 11. Core Scientific did not fully deploy those rigs until January 30, 2022. *Id.*
- 19. Celsius delivered a second tranche of 3,780 rigs to Core Scientific at the end of March 2022. *Id.* at ¶ 12. By May 25, 2022, the March rigs were still not deployed. *Id.* In an attempt to resolve the issue amicably, Celsius reached out to Core Scientific to ask it to confirm that the 3,780 March rigs (and plus an additional 4,710 rigs from other Orders) would be deployed by June so that Celsius could "put [it] into our working assumptions on deployment activities this month." *Id.*, **Exhibit D** at 2. Core Scientific wrote back, "Yes sir, it is . . . 8490 confirmed." *Id.* at 1. Celsius took Core Scientific at its word and relied upon that promise. Lawlor Decl. ¶ 13. Celsius both built this assumption into its financial projections and reduced the intensity of its search for alternative hosting services providers. *Id.*
- 20. But that representation was false, and Core Scientific again failed to deploy the rigs according to its latest representations. *Id.* Core Scientific even acknowledged its breach of the Agreement. On June 2, 2022, a representative from Core Scientific proposed that Celsius could delay making any further payments to Core until after June 20 "as compensation for our delayed deployment schedule." *Id.*, **Exhibit E** at 1.
- 21. Ultimately, Core Scientific did not fully deploy the March rigs until July 21, 2022. *Id.* ¶ 14. But even after getting those rigs online, between July 21, 2022 and September 16, 2022, Core Scientific had the March rigs online for a total of approximately *eight* days. *Id.* No power was available to the March rigs for the remainder of that time. *Id.* Core Scientific

only brought the March rigs back online on September 16, 2022, after leaving them idle for months. *Id.* In other words, until two weeks ago, Core Scientific was providing Celsius with only approximately 9.7 MWs (just 12% of the hosting capacity Core Scientific is obligated to provide under Order #10), and only approximately 2,794 of Celsius' rigs were operational. *Id.*

- 22. Celsius delivered a third tranche of 4,860 rigs to Core Scientific in June 2022. *Id.* ¶ 15. Despite having those rigs in its possession for more than three months, Core Scientific has failed to deploy 4,320 of those rigs and, instead, they are sitting idle. *Id.* Now, Core Scientific has prohibited Celsius from sending any more rigs under Order #10. *Id.* ¶ 16. Thus, rigs that Celsius has been planning to deploy under Order #10 are now sitting in limbo with no place to go, instead of earning revenue for the estate.
- 23. Core Scientific's delays have caused the Debtors to suffer material losses to their potential gross revenues and profits. *Id.* The Debtors continue to suffer additional losses with each day that Core Scientific fails to immediately deploy Celsius' rigs.

C. Core Scientific's Failure to Notify Celsius of Additional Availability

24. Core Scientific's performance failures are not limited to delays in deploying rigs. It also continues to fail to notify Celsius of additional hosting availability and to provide that availability on a "priority basis," as the Agreement requires. *See* Order #10 at 4–5. Core Scientific had availability but used it for itself rather than offering it to Celsius. *See* Lawlor Decl. ¶ 19. In fact, Core Scientific announced to investors that it had increased its own mining fleet from 67,000 to 85,000 mining rigs between December 2021 and April 2022. *Id.* Core Scientific never informed Celsius of any additional hosting availability. *Id.*

D. Core Scientific's Post-Petition Termination Threats

25. Following the Petition Date, Core Scientific has threatened to terminate the Agreement and withhold performance due to Celsius' pre-petition debts. On an August 22,

2022, telephone call between Core Scientific and Celsius, a representative for Core Scientific stated that no new deployments would go forward until Celsius caught up on its payments. Lawlor Decl. ¶ 17. Then, in an August 29, 2022 email, Core Scientific notified Celsius that it had an overdue invoice, and threatened Celsius that, among other things, Core Scientific could "suspend the provision of the Services," "disconnect Client Equipment and store it," and "terminate the MSA and all Orders thereunder." *See Id.* ¶ 18, **Exhibit F** at 1. Core Scientific has since disclaimed the August 29 threat, as discussed below, but it did not disclaim or deny the August 22 verbal threat and instead has ginned up different and pretextual potential bases for termination. *Id.* ¶ 28.

E. Core Scientific's Attempt to "Pass Through" Its Power Costs

- 26. Finally, since the Petition Date, Core Scientific has begun adding certain surcharges to Celsius' invoices that contravene the fixed-price structure of the orders between the parties. Worse, Core Scientific has misrepresented the nature of these surcharges.
- 27. On July 15, 2022, Celsius received its first post-petition invoice from Core Scientific, which totaled approximately \$4.6 million. Lawlor Decl. ¶ 20, Exhibit G. The July 15 invoice contained a new line item that had never before appeared on any previous (*i.e.*, prepetition) invoice, called "Power Costs Pass-through." *Id.*, Exhibit G at 3. The charges for "Power Costs Pass-through" totaled just over \$911,000. *Id.* at 3. According to the invoice, these charges were being retroactively imposed for services provided to Celsius between May 2022 and June 2022. *Id.*

28. Core Scientific explained these charges as follows:

Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement – Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an *Increased Costs under the Master* Services Agreement (Section 4f), Core will be passing through such tariff increases without markup.

Id. at 1 (emphasis added). Because the invoice indicated that the "Power Costs Pass-through" charges accrued pre-petition, Celsius did not pay them. Lawlor Decl. ¶ 21.

- 29. On August 16, 2022, Celsius received its second post-petition invoice from Core Scientific totaling \$5.5 million. *Id.* ¶ 22, **Exhibit H**. Once again, Core Scientific included a line item for "Power Costs Pass-through." **Exhibit H** at 3. This time, the "Power Costs Pass-through" line item was even more significant—accounting for over \$1 million of the \$5.5 million invoice. *Id.* Core Scientific again explained this cost as a "tariff increase" that it was "passing through" under Section 4(f) of the MSA. *Id.* at 1. In reliance on Core Scientific's representation that the "Power Costs Pass-through" was a "tariff" subject to pass-through under Section 4(f), Celsius paid the post-petition amounts, including the post-petition portion of the "Power Costs Pass through" item, in order to avoid a post-petition breach of the Agreement. Lawlor Decl. ¶ 22.
- 30. On September 15, 2022, Celsius received a third post-petition invoice from Core Scientific, totaling \$6.5 million. *See* Lawlor Decl., **Exhibit I**. That invoice also included the "Power Costs Pass-through" charge, which totaled more than \$1.74 million. *Id.* at 3. Core Scientific again claimed that this was a "tariff" subject to pass through under Section 4(f) of the MSA. *Id.* at 1.
- 31. Giving the timing of these new costs, Celsius became concerned, and on September 20, 2022, Celsius disputed the "Power Costs Pass-through." Lawlor Decl., **Exhibit J**. Celsius also asked Core Scientific to provide "any documents and materials reflecting both the 'tariff increases' that Core Scientific claims it has incurred and the payment of those charges by Core Scientific." *Id.* at 2.

32. In response, Core Scientific provided information showing increased power rates in the various jurisdictions where Celsius rigs are located. *Id.* at 5–8. This confirmed that the "Power Cost Pass-through" surcharges Core Scientific had been adding to Celsius' post-petition invoices were not new "tariffs," as Core Scientific had claimed, but rather, were simply the incremental increases in power costs to *Core Scientific*—which were not subject to pass through under the MSA. Lawlor Decl. ¶ 26.

F. Celsius Advises Core Scientific Of Its Automatic Stay Violations

- 33. On September 9, 2022, the Debtors sent a letter to Core Scientific demanding that Core Scientific fulfill its commitments under the Agreement and advising Core Scientific that its failure to do so is a violation of the automatic stay under Bankruptcy Code Section 362(a). *See* Lawlor Decl., **Exhibit K**. Celsius sent this letter in an effort to resolve its issues with Core Scientific without the Court's involvement.
- 34. Eleven days later, on September 20, 2022, Core Scientific finally responded by letter to counsel for Celsius. *See* Lawlor Decl., **Exhibit L**. Core Scientific explicitly disclaimed that it had invoked any of the contractual remedies referenced in its August 29, 2022, email, dismissing that email as "automated." *Id.* at 1. Without providing any supporting detail, Core Scientific denied that it failed to provide Celsius with the hosting capacity required by the MSA or Order #10. *Id.* At no point did Core Scientific deny that the Agreement qualifies as an executory contract, nor did it dispute that a failure to perform under the Agreement (if shown) would qualify as a violation of the automatic stay under Bankruptcy Code Section 362.
- 35. The Debtors therefore are left with no choice but to bring this Motion and seek a Court order of civil contempt, compelling Core Scientific's compliance with its contractual obligations and imposing other damages that the Court deems proper. The Debtors should not be left at the mercy of a contractual counterparty that both is trying to starve them of critical

revenues by refusing to deploy rigs and attempting to bleed their coffers dry by imposing improper "tariffs."

LEGAL STANDARD

- 36. Section 362 of the Bankruptcy Code operates immediately upon a debtor's filing of a bankruptcy petition to stay various acts that could interfere with the orderly distribution of the bankruptcy estate. *See S.E.C. v. Brennan*, 230 F.3d 65, 70 (2d Cir. 2000). "[T]he purpose of the automatic stay is to give the debtor a breathing spell from creditors, to stop all collection efforts, and to permit the debtor to attempt repayment or reorganization." *In re Enron Corp.*, 300 B.R. 201, 211 (Bankr. S.D.N.Y. 2003) (citation omitted, alteration in original). As relevant here, Section 362(a)(3) prohibits "any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate." 11 U.S.C. § 362(a)(3). Section 362(a)(7) prohibits "the setoff of any debt owing to the debtor that arose before the commencement of the case under this title against any claim against the debtor." *Id.* § 362(a)(7).
- 37. Bankruptcy courts can enforce the automatic stay pursuant to their powers under Sections 362 and 105(a) of the Bankruptcy Code. *See In re Congregation Birchos Yosef*, 535 B.R. 629, 632 & n.2 (Bankr. S.D.N.Y. 2015). Further, through their inherent contempt powers and Section 105, bankruptcy courts can award sanctions for violations of the automatic stay. *In re Windstream Holdings, Inc.*, 627 B.R. 32, 38 (Bankr. S.D.N.Y. 2021); *In re Chateaugay Corp.*, 920 F.2d 183, 186-87 (2d Cir. 1990). To impose civil contempt sanctions, the Court need not make a finding of willfulness; rather, it need only find that there was no objectively "fair ground of doubt" that the party's conduct was prohibited by the automatic stay. *Windstream Holdings*, 627 B.R. at 40–41.

ARGUMENT

- I. The Agreement Is An Executory Contract Protected By The Automatic Stay.
- 38. "[E]xecutory contracts and leases are considered a form of property of the estate." In re Broadstripe, LLC, 402 B.R. 646, 657 (Bankr. D. Del. 2009), (citation omitted). "[T]hose rights [therefore] are protected by the automatic stay." Enron, 300 B.R. at 212 (citation omitted). The debtor is entitled to enforce any executory contract pending a decision whether to assume or reject the contract. See McLean Indus. v. Medical Lab'y Automation, Inc, 96 B.R. 440, 449 (Bankr. S.D.N.Y. 1989); Broadstripe, LLC, 402 B.R. at 656; McLean, 96 B.R. at 448 ("[A]n assumable but unassumed executory contract continues in effect and can be enforced by a debtor-in-possession.").
- 39. The Agreement is an executory contract pending the Debtors' decision to assume or reject it. A federal bankruptcy court uses one of two tests to determine whether an agreement is an "executory contract" enforceable by the debtor, as the Second Circuit has not conclusively adopted either one as the correct standard. *See In re NanoDynamics, Inc.*, 735 F. App'x 762, 764 (2d Cir. 2018). The first test—the "Countryman" test—considers a contract "executory" "if material future performance obligations remain on both sides of the contract." *In re WorldCom, Inc.*, 343 B.R. 486, 493 (Bankr. S.D.N.Y. 2006) (citation omitted). The second test—the "some performance due" test—is "a less demanding inquiry ... [that] defines an executory contract as one 'on which performance remains due to some extent on both sides." *NanoDynamics*, 735 F. App'x at 764 (quoting *In re Ionosphere Clubs, Inc.*, 85 F.3d 992, 998–99 (2d Cir. 1996)).
- 40. The Agreement is executory regardless of which test applies, and Core Scientific has never contended otherwise. *See* Lawlor Decl., **Exhibit M**. The Countryman test is satisfied because the parties' remaining future performance obligations are "material" to the Agreement. *See In re Teligent, Inc.*, 268 B.R. 723, 730–31 (Bankr. S.D.N.Y. 2001). It cannot be seriously

disputed that Core Scientific's hosting and notification obligations, on the one hand, and Celsius' payment obligations, on the other, "go[] to the essence" of the parties' bargain under the Agreement. *Id.*; *see also Broadstripe*, 402 B.R. at 655 ("Based on the parties' respective continuing obligations under the Member Agreement, the Member Agreement is an executory contract.").

41. The "some performance due" test is satisfied because "neither side [has] tendered complete performance on the Agreement." *NanoDynamics*, 735 F. App'x at 764. Core Scientific owes Celsius 58 MWs of additional power deployment as of the date of this filing, and it has continuing deployment obligations through at least December 2022 under Order #10. Lawlor Decl. ¶ 10; Order #10 at 1, 3. It also has an ongoing obligation to notify Celsius of additional hosting availability on a priority basis. Order #10 at 4–5. Celsius, on the other hand, has continuing payment obligations to Core Scientific through December 2022. Lawlor Decl. ¶ 9.

II. Core Scientific's Failure To Perform And Threats To Terminate The Agreement Violate The Automatic Stay.

42. Core Scientific has violated Section 362(a)(3) by failing to perform its obligations under the Agreement and threatening termination. *See In re AMR Corp.*, 730 F.3d 88, 102 (2d Cir. 2013) ("[T]he bankruptcy court did not err in concluding that any attempt to [rescind a contract provision] would be an attempt to modify contract rights and would therefore be subject to the automatic stay that went into effect when [the debtor] made its § 1110(a) elections."); *Enron*, 300 B.R. at 212 ("[B]y seeking to enforce the terms of the Employment Agreement, and by unilaterally seeking to terminate same and invoke its damages provisions, the Court finds that Claimant violated the automatic stay."); *see also In re 48th Steakhouse, Inc.*, 835 F.2d 427, 431

(2d Cir. 1987); *Broadstripe*, 402 B.R. at 657; *In re The Elder-Beerman Stores Corp.*, 195 B.R. 1019, 1024 (Bankr. S.D. Ohio 1996).

- 43. *First*, Core Scientific is providing Celsius with only 21.5 MWs of power under Order #10, even though Celsius is due 79.4 MWs as of the end of September 2022. Lawlor Decl. ¶¶ 6, 10. Core Scientific is running only 6,564 Celsius rigs under Order #10. *Id.* ¶ 10. Core Scientific has another 4,320 rigs that it refuses to deploy. *Id.* ¶ 15. And it is contractually obligated to deploy approximately 11,000 more rigs under Order #10—but Celsius has not provided those to Core Scientific both because Core Scientific has refused to deploy the rigs in its possession and because Core Scientific has prohibited Celsius from sending it more rigs. *Id.* ¶ 16. Not only does Core Scientific's conduct contravene the deployment schedule, *see* Order #10 at 1, but it also falls far short of Core Scientific's obligation to provide services "in a professional and workmanlike manner," *see* MSA § 5(a). Core Scientific's ongoing failure to perform its deployment obligations under Order #10 violates the automatic stay. *See Broadstripe*, 402 B.R. at 657 ("By refusing to perform its obligations under the Member Agreement, NCTC is interfering with Broadstripe's property rights under the Member Agreement and acting in violation of the automatic stay.").
- 44. To the extent Core Scientific attempts to shift blame to Celsius for any delays in delivering the rigs, such an argument should be rejected. Core Scientific has acknowledged that it is to blame for the delays. Lawlor Decl. ¶ 13, **Exhibit E** at 1. In fact, Core Scientific has **prohibited** Celsius from even sending it any more rigs under Order #10. Lawlor Decl. ¶ 16. Regardless, any delivery delays could not possibly excuse Core Scientific's excessive, repeated delays in deployment, nor could they excuse Core Scientific's failure to fully deploy the rigs that it has.

- 45. **Second**, Core Scientific continues to fail to notify Celsius of the availability of hosting sites "on a priority basis," as required by Order #10. See Order #10 at 4–5. Celsius has never once been notified of additional hosting availability, and in fact, is aware of at least one pre-petition instance in which Core Scientific breached this obligation. See Lawlor Decl. ¶ 19. Core Scientific's ongoing failure to perform on its notification obligations violates the automatic stay. In re Ernie Haire Ford, Inc., 403 B.R. 750, 760–61 (Bankr. M.D. Fla. 2009) ("While these agreements are in full force and effect, the parties are bound by their terms and must continue to operate under the agreements in good faith.").
- overdue pre-petition obligations. Lawlor Decl. ¶¶ 17–18 & Exhibit F. Although Core Scientific now disclaims its August 29, 2022, email threat to terminate the MSA, see Lawlor Decl., Exhibit L at 2, Core Scientific did not disclaim or deny that its representative stated on an August 22, 2022, phone call that Core Scientific would not conduct any more deployments until Celsius became current on its payments. Lawlor Decl. ¶ 28; see Exhibit L. Threats like this to terminate the Agreement or withhold performance until the debtor makes payments violate the automatic stay. See Enron Corp., 300 B.R. at 212 ("In attempting to enforce the Employment Agreement by procuring payment of the Retention Bonus and the Termination Payment, and by sending notice of the termination of such agreement, Claimant acted to obtain possession of property of the estate and to exercise control over property of the estate."); Elder-Beerman Stores Corp., 195 B.R. at 1024 ("It is therefore clear, that Thomasville's actions in attempting to cancel its contract with Elder-Beerman were in violation of the automatic stay.").
- 47. It is no answer to suggest that Celsius' past due balance somehow gives Core Scientific a valid ground to terminate or otherwise seek to enforce the Agreement against

Celsius. Courts have been clear that "an unassumed executory contract is not enforceable against the Chapter 11 debtor," and therefore "the nondebtor party cannot terminate the contract by reason of the debtor's defaults thereunder." *United States v. Dewey Freight Sys., Inc.*, 31 F.3d 620, 625 (8th Cir. 1994) (citation omitted); *see also NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 531–32 (1984); *In re Monarch Cap. Corp.*, 163 B.R. 899, 907 (Bankr. D. Mass. 1994).

III. Core Scientific's Attempt To Collect Pre-Petition Debt Violates The Automatic Stay.

- 48. Core Scientific's improper attempt to "pass through" to Celsius increased power costs violates the automatic stay in multiple, independent ways: Core Scientific is attempting to siphon "possession of property of the estate" without any lawful basis, *see* 11 U.S.C. § 362(a)(3); Core Scientific is attempting to modify its contractual obligations under the specific orders between the parties, *see AMR Corp.*, 730 F.3d at 102 (stating that "an attempt to modify contract rights" violates the automatic stay); and Core Scientific is attempting to offset Celsius' prepetition debts by charging additional fees, *see* 11 U.S.C. § 362(a)(7); *In re Rodriguez*, 629 F.3d 136, 142 (3d Cir. 2010) (holding that defendant violated the automatic stay by increasing debtor's post-petition payment requirement to account for a pre-petition obligation).
- 49. As discussed above, after the Petition Date, Core Scientific began adding the "Power Costs Pass-through" to Celsius' monthly invoices. Lawlor Decl. ¶¶ 20-25. This "pass-through" line item—which is significant—has only appeared on the invoices after the Petition Date. *Id.* As Core Scientific's own documentation shows, the "Power Cost Pass-through" is simply the incremental increase in Core Scientific's power costs resulting from price fluctuations for the cost of energy. Lawlor Decl., **Exhibit J** at 5–8.
- 50. Core Scientific has attempted to pass off its increased power costs as "tariffs" subject to pass through under Section 4(f) of the MSA. Lawlor Decl. ¶¶ 22–24; see **Exhibit I** at 1. A tariff, as commonly understood and as used in Section 4(f), refers to "duties to be imposed

on imports and exports." Oxford English Dictionary (Online Ed.); Black's Law Dictionary (11th ed. 2019) (defining "tariff" as "[a] schedule or system of duties imposed by a government on imported or exported goods."). A fluctuation in the cost of power is neither "new" nor a "tariff[]." Indeed, such an interpretation would directly contravene the fixed-rate pricing structure under Order #10 and the preceding orders, which entitle Celsius to the fixed Hosting-Services Rate as "set forth . . . in this Order." See Order #10 at 4 (emphasis added); see also Lawlor Decl., Exhibit A at 10–23, Exhibit B at 1.

51. Core Scientific's conduct leaves Celsius with a lose-lose choice: either pay the improper charges and sacrifice estate property that Core Scientific is not entitled to, or refuse to pay and give Core Scientific a pretextual basis to terminate the Agreement. Indeed, Core Scientific has already threatened to terminate if Celsius does not remain current on its post-petition obligations. *See* Lawlor Decl., **Exhibit L** at 2.

IV. Core Scientific Is In Contempt Of This Court For Its Violations Of The Automatic Stay.

- 52. Core Scientific's actions in violation of the automatic stay "are void and without effect." *48th St. Steakhouse*, 835 F.2d at 431 (2d Cir. 1987) (citation omitted). Core Scientific remains bound by the terms of the Agreement and "must continue to do business with" Celsius "absent an order granting relief from stay." *Ernie Haire Ford*, 403 B.R. at 753, 760–61 (granting debtor's motions to compel non-debtors' compliance with contracts).
- 53. Moreover, by withholding performance, threatening termination, and attempting to setoff a pre-petition debt, Core Scientific is in contempt of this Court for violating the automatic stay. Section 362(a) "clearly and unambiguously stays such conduct," and "[a] reasonable person would not think otherwise." *Windstream Holdings*, 627 B.R. at 41. Although a finding of willfulness is not required to hold a party in contempt, *id.* at 39, Core Scientific had

actual notice of its violations, which makes its conduct even more egregious. Celsius both sent a letter to Core Scientific and disputed the "Power Costs Pass-through" on its invoices. Lawlor Decl., **Exhibit J** at 2, **Exhibit K**. Yet, Core Scientific refused to cure its breaches of the automatic stay. See **Exhibit L**.

- 54. The Court has the ability to award sanctions under its civil contempt power for breach of the automatic stay, including "coercive sanctions to encourage compliance" and "damages for monetary harm," including but not limited to, the "fees and expenses incurred in trying to enforce the stay." *Windstream Holdings*, 627 B.R. at 47, 49.
- 55. Consistent with this authority, the Debtors respectfully request that the Court enter an order:
 - i. Holding Core Scientific in civil contempt for having violated and disregarded the automatic stay;
 - ii. Directing Core Scientific to deploy all Celsius rigs in its possession forthwith, to accept and deploy additional rigs from Celsius as permitted under the Agreement, and to notify Celsius of any additional hosting availability;
 - iii. Ordering Core Scientific to immediately return any "Power Costs Pass-through" paid by Celsius to Core Scientific in connection with the August 15, 2022 invoice and to immediately cease and desist from any attempts to collect or further assess charges for "Power Costs Pass-through;" and
 - iv. Assessing appropriate compensatory payments in the amount of reasonable attorneys' fees and costs incurred in seeking to enforce the stay and actual damages Celsius has incurred after the Petition Date arising from Core Scientific's violations of the automatic stay.

NOTICE

56. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee; (b) counsel to the Committee; (c) the holders of the 50 largest unsecured claims against the Debtors (on a consolidated basis); (d) the United States Attorney's Office for the Southern District of New York; (e) the Internal Revenue Service; (f)

Each Order will be a separate agreement between Company and Client and will be deemed to incorporate the terms of this Agreement by reference. Company may require Customer to provide evidence of creditworthiness or credit support acceptable to Company in its sole discretion as a condition to accepting any Order. In the event of any conflict or inconsistency between the terms of this Agreement and the specific terms of an Order, the specific terms of the Order govern with respect to such Order.

2. SERVICES AND COMPANY FACILITY

- a. Company will provide Client the Services at a Company Facility set forth in an Order. This Agreement is not intended to and does not constitute a lease of any real or personal property or a grant of any other real property interest. Unless otherwise set forth in an Order, Client Equipment is owned by Client will not be construed as fixtures or fittings or otherwise attached to a Company Facility. Company retains title to all racking, connectors, fittings, parts and other materials used or provided by Company at a Company Facility to provide Client the Services. Client acknowledges and agrees that access to a Company Facility may be provided only during Company's ordinary business hours and only upon Company's prior written consent, which shall be subject in all events to the terms of this Agreement and may be withheld, conditioned or delayed in Company's sole discretion. Client will be liable for the actions of all persons accessing Company Facility on its behalf.
- b. Company has the right to review and the sole right to approve any delivery, installation (including, without limitation, the location and position of Client Equipment at the Company Facility), replacement or removal work with respect to Client's computer hardware or other tangible equipment ("Client Equipment") at a Company Facility. Client shall be fully responsible for delivering all Client Equipment to Company at a specified Company Facility on or before the applicable scheduled delivery date, each as specified in an Order. Client will be responsible for all risk of loss or damage to Client Equipment at all times until such Client Equipment is accepted by Company at a designated Company Facility.
- c. Client Equipment will adhere to Company's specifications, procedures, rules, and regulations, including, without limitation, equipment labeling and tracking and security practices and policies for the Company Facility, all of which are incorporated herein by this reference. If Company determines in its sole

discretion that Client Equipment or related operating software does not conform to its policies or is not suitable for the provision of Services at the Company Facility, Company may suspend installation of Client Equipment and operating software or commencement of the Services until Company approves of the Client Equipment and operating software. Company has no responsibility or liability for any loss or damage to Client Equipment, including without limitation any damage to Client Equipment, failure to adhere to any manufacturer warranty, the voiding of any manufacturer warranty or loss of or inability to collect under any manufacturer warranty, unless directly caused by the gross negligence, bad faith or willful misconduct of Company.

- d. Client is responsible for costs and expenses regarding the installation, repair, replacement and removal of Client Equipment and tariffs, taxes, shipping costs or other expenses associated with owning, shipping, importing or transporting Client Equipment. Upon any expiration or termination of an applicable Order, Company will provide Client with a written notice, which may be by email (the "Retrieval Notice"), of the date when Client Equipment is ready to be removed from Company Facility, which will be at Client's sole expense. Such notice will document the condition of Client Equipment being prepared for shipment, any outstanding amounts owed by Client to Company and Client shall have five (5) calendar days from the date set forth in the Retrieval Notice to pay any outstanding amounts owed to Company and remove at Client's sole cost and expense Client Equipment from Company Facility. Client will hold Company harmless from any damage caused to Client Equipment during such pickup and removal of Client Equipment. The failure or delay by Client to retrieve Client Equipment on or before the date set forth in the Retrieval Notice will constitute abandonment of Client Equipment under the laws of the jurisdiction where the Client Equipment is located and Company will be entitled to pursue at Client's sole risk and expense all available remedies, including, without limitation, the actions set forth in Section 4(d), as applicable.
- e. In order to continue to provide the Services, from time to time Company may request, and Client shall promptly provide, information regarding Client Equipment, Client's related operating software, Client's systems, and other information reasonably necessary in Company's provision of the Services.
- f. If software and services of a third party are requested by Client in conjunction with the Services ("**Third Party Services**") and identified in an Order, Client acknowledges and agrees that such Third Party Services are the responsibility of the third party, subject to separate terms and conditions between such third party and Client and Company accepts no responsibility for the performance of such Third Party Services or any loss or damage arising from or associated with the provision of such Third Party Services.

3. PAYMENT TERMS AND TAXES

- a. Company will invoice Client monthly in advance for all applicable fees for use of Company Facility and provision of Services as set forth in the applicable Order. Client will pay all invoiced amounts in US dollars within ten (10) calendar days of the date of the invoice. All payments must be (i) in US dollars into an ACH account number as set forth in the applicable Order; or (ii) to another account or form of payment directed by Company. Interest shall be charged on past due amounts at the lesser of (A) one and a half percent (1.5%) per month; or (B) the highest rate permitted by applicable law.
- b. Client may, in good faith, dispute any invoice or any part thereof (a "**Disputed Amount**") by submitting a written notice of such dispute along with reasonable supporting documentation within three (3) calendar days of the date of the initial invoice on which the Disputed Amount appears, failing which Client waives all rights to dispute such Disputed Amount and to file any claim. Company will review the Disputed Amount after its receipt of the relevant notice and if Company determines that Client was billed in error, a credit for the amount invoiced incorrectly will be made to the next invoice. If Company determines that the amount was invoiced correctly, Client will pay the amount by the due date of the next invoice. For clarity, Client shall promptly pay all undisputed amounts.

c. All amounts payable to Company under this Agreement exclude applicable taxes. Client is responsible for (i) taxes related to its activities and the ownership and operation of Client Equipment; and (ii) taxes imposed, levied or assessed thereon by any governmental or other authorities. If Client is required to make any deduction, withholding or payment for taxes in any jurisdiction on amounts payable to Company, such amounts will be increased such that after making such deduction, Company receives an amount equal to what it would have received if such deduction, withholding or payment had not been made.

4. TERM, TERMINATION, MODIFICATION AND SUSPENSION

- a. This Agreement commences on the Effective Date and continues until terminated as permitted by this Agreement. Each Order commences on the effective date set forth in the Order, has the initial term ("Initial Term") set forth in the Order, and thereafter automatically renews for the additional periods set forth in the Order, or if no renewal period is set forth then one (1) year periods, (each, a "Renewal term" and collectively, the "Term") unless Client notifies Company in writing not less than ninety (90) calendar days before such renewal of its desire for the order not to renew.

Either party may terminate an Order upon written notice to the other party and take such other action identified in Section 4 d. below if the other party materially breaches such Order or this Agreement and fails to cure such breach within thirty (30) calendar days (5 days in the case of failure to pay an Unpaid Balance (as defined below) or 2 days in the case of failure to pay an Unpaid Balance two or more times during any twelve month period). If the breach (other than Client failure to pay amounts when due) cannot be cured within thirty (30) calendar days, the breaching party shall be given a reasonable period of time, but not to exceed sixty (60) calendar days after receipt of the notice, to cure the breach, provided that the breaching party acts promptly and diligently to cure such breach.
- c. Either party may terminate this Agreement upon written notice to the other party if there have been no Orders in effect for twelve (12) consecutive months.
- d. In addition to the remedy set forth in Section 4 b. above if Client fails to pay all invoiced amounts when due (an "**Unpaid Balance**"), or otherwise fails to perform any of its obligations under this Agreement after opportunity to cure as provided in Section 4 b above Company may, in its sole discretion, take certain actions including, without limitation, the following actions, at Client's sole risk and expense:
 - (i) suspend the provision of the Services;

 - (vi) exercise all other rights under this Agreement, at law, in equity or otherwise.

Unless Company has terminated this Agreement, Company will reverse the suspension of the provision of the Company Facility and Services and disconnection of Client Equipment as soon as reasonably practical after it is satisfied Client has cured the acts or omissions giving rise to the suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee. Thereafter, Company may, at its sole discretion, require an advance payment equal to the amount of one billing invoice.

e. Notwithstanding anything in this Agreement to the contrary, Company may suspend its provision of

all or a portion of the Services and disconnect all of a portion of Client Equipment immediately if Company determines in its sole discretion that: Client's use of the Services or Client Equipment (i) may adversely impact or pose a security risk to Company's operation or maintenance of the Company Facility or Company's other clients; (ii) may subject Company to liability; or (iii) is not in compliance with this Agreement or Company's policies. Further, Company may terminate this Agreement and all Orders if such suspension or disconnection continues for at least two (2) calendar days or occurs more than three (3) times in any twelve (12) month period. For clarity, during the period of suspension or disconnection, Client remains responsible for all fees and charges Client incurs during such period. Further, after the Effective Date, if Company determines in its sole and absolute discretion that as a result of any change in, or interpretation, introduction or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations, introduction or administration of the foregoing (a "Change in Law"), has resulted in an increase in Company's cost of compliance with such Change in Law then Company may, in its commercially reasonable discretion, take certain actions, including, without limitation, the following actions, at Client's sole risk and expense: (i) terminate this Agreement, any or all Orders; and/or (ii) modify the Services as may be necessary to account for such Change in Law. Company will use commercially reasonable efforts to notify Client of such Company actions and the effective date of such actions.

- f. Further, and notwithstanding the Change in Law related costs above, after the Effective Date, if there are any increases, changes in, or introduction or administration of, any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services, Company may, in its sole and absolute discretion, pass through all such amounts to Client ("**Increased Costs**") and Client shall pay all Increased Costs in accordance with the payment and invoicing procedures as set forth in this Agreement.
- g. Company shall not be liable for any Client loss or damage whatsoever as a result of the exercise of its rights under this Agreement. Upon termination of this Agreement or an Order by Company, Company is entitled to recover from Client all loss or damages incurred by Company as a result of such termination, outstanding fees, costs, charges, assessments, reimbursements, and expenses (including, without limitation, costs of collection and reasonable attorneys' fees).
- h. In addition to Section 4(f), the Company may terminate or suspend all or a portion of the Services if necessary to be in compliance with applicable law, rules, regulations, administrative or judicial orders or decree. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension. Subject: Core Scientific Inc. August 2022 Hosting Invoice - Celsius Mining LLC

Hi Jenny and Praveena,

Hope you are doing well! Please see attached invoice INV42658 and associated support for your Hosting Services.

• Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. Hosting rate for July 2022 usage at Dalton, GA sites is the old rate plus \$0.030816/kWh. The tariff surcharges for your July 2022 usages in Calvert City and/or Marble 1 have been added to this invoice as well.

Thank you, we appreciate your business and trust in Core Scientific!

Regards, Monica

Subject: Core Scientific Inc. September 2022 Hosting Invoice - Celsius Mining LLC

Hi Jenny and Praveena,

Hope you are doing well! Please see attached invoice INV42672 and associated support for your Hosting Services.

Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. The tariff surcharges for your August 2022 usages in GA, KY and/or Marble 1, and TX sites have been added to this invoice.

Thank you, we appreciate your business and trust in Core Scientific!

Regards, Monica

Hi Monica,

We are in receipt of the invoice (INV42672) for August actual hosting cost. Your email indicates that Core Scientific has been notified of "significant tariff increases due to rising fuel costs," and that, as a result, "surcharges" have been added to the invoice pursuant to Section 4(f) of the Master Services Agreement ("MSA"). Pursuant to section 3(b) of the MSA, Celsius hereby disputes these surcharges as they appear in the invoice (INV42672) and any prior invoices, including the invoice (INV42658) for July actual hosting cost. While we dispute these surcharges, we do wish to work cooperatively in an effort to understand these charges and resolve this issue. To that end, please provide to Celsius any documents and materials reflecting both the "tariff increases" that Core Scientific claims it has incurred and the payment of those charges by Core Scientific, in each of the relevant jurisdictions (namely, Georgia, Kentucky, and Texas).

Thank you for your prompt attention to this matter. Jenny

Hope you are doing well! Please see attached invoice INV42672 and associated support for your Hosting Services.

Kindly note that Core Scientific has incurred continuing significant tariff increases since the implementation of our Master Services Agreement — Core Scientific has been notified by its electrical utility suppliers of significant tariff increases due to rising fuel costs. As an Increased Costs under the Master Services Agreement (Section 4f), Core will be passing through such tariff increases without markup. The tariff surcharges for your August 2022 usages in GA, KY and/or Marble 1, and TX sites have been added to this invoice.

Thank you, we appreciate your business and trust in Core Scientific!

Re: Celsius Network LLC et al., Case No. 22-10964 (MG) (Jointly Administered)

Dear Mr. DuChene:

Our firm represents Celsius Mining LLC ("Celsius"). As you may be aware, on July 13, 2022 (the "Petition Date"), Celsius, Celsius Network LLC, and certain of their affiliates (collectively, the "Debtors") filed petitions for relief under title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). I write in regard to Core Scientific's ("Core") recent threats to terminate its contractual obligations and failure to otherwise perform under the Master Services Agreement (the "MSA") and Order #10 to the MSA ("Order #10") (together, the "Agreement"). ¹

Upon the Debtors' filing of their petitions, all creditors were automatically stayed from taking certain actions against the Debtors pursuant to 11 U.S.C. § 362(a). Specifically, section 362(a)(3) of the Bankruptcy Code prohibits "any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate." Because the Agreement is an executory contract under which mutual performance remains due, the Debtors' interest in the Agreement constitutes property of the estate that is subject to the automatic stay. See, e.g., In re Enron Corp., 300 B.R. 201, 212 (Bankr. S.D.N.Y. 2003); In re Drexel Burnham Lambert Group, Inc., 138 B.R. 687, 701 (Bankr. S.D.N.Y. 1992) (holding that executory contracts are property of the estate).

¹ The MSA is attached hereto as **Exhibit A**. Order #10 is attached hereto as **Exhibit B**. Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the MSA or Order #10, as applicable.

It is blackletter law that threats to withhold contractual performance, or the failure to perform under an executory contract, violates the automatic stay. *See, e.g., Enron*, 300 B.R. at 212 ("[B]y unilaterally seeking to terminate [the agreement] and invoke its damages provisions, the Court finds that Claimant violated the automatic stay."); *In re Broadstripe, LLC*, 402 B.R. 646, 657 (Bankr. D. Del. 2009), as amended (Mar. 10, 2009) ("By refusing to perform its obligations under the Member Agreement, NCTC is interfering with Broadstripe's property rights under the Member Agreement and acting in violation of the automatic stay."); *In re Elder-Beerman Stores Corp.*, 195 B.R. 1019, 1024 (Bankr. S.D. Ohio 1996) ("Thomasville's actions in attempting to cancel its contract with Elder–Beerman were in violation of the automatic stay.").

By its actions, Core has violated the automatic stay in at least the following ways:

- Following the Petition Date, Core has threatened—both during a phone call on August 22, 2022, and in emails (*see* email attached hereto as **Exhibit C**)—to terminate the Agreement or withhold performance.
- Under the Agreement, Celsius is entitled to have, and Core is obligated to provide, 71 megawatts as of August 2022 (the hosting capacity to operate at least 22,536 Celsius rigs). But Core is providing Celsius with only 9.8 megawatts (just 2,785 Celsius rigs).
- Core continues to fail to inform Celsius of additional hosting availability, despite its obligation to do so under the parties' Agreement.

In addition to violating the automatic stay, Core has breached the parties' Agreement in numerous ways, both before and after the Petition Date. First, Core deviated substantially from the mining rig deployment schedule the parties agreed upon in Order #10. Core delayed deploying Celsius's mining rigs several weeks—and even months—past the agreed-upon deployment dates. Second, Core failed to notify Celsius of additional hosting availability. Instead, between December 2021 and April 2022 Core increased its own mining fleet from 67,000 to 85,000 mining rigs, while failing to notify Celsius of any additional hosting availability.

Celsius has attempted to amicably resolve these delays with Core, and Core has acknowledged its fault for the delays on several occasions. For example, on May 25, 2022, Core represented to Celsius that it would deploy 8,490 mining rigs by June 2022. Celsius agreed to that representation and relied upon it. But that representation was false, and Core again failed to meet the parties' agreed-upon deployment schedule.

Core's refusal to honor the terms of the Agreement violates the Bankruptcy Code, constitutes a breach of contract, and contravenes the representations that Core made to Celsius and

KIRKLAND & ELLIS LLP

Todd DuChene September 9, 2022 Page 3

that Celsius relied upon. As a result of Core's delays, as of the end of August 2022, Celsius has suffered losses in excess of \$20 million, and continues to suffer additional losses with each day that Core refuses to satisfy its contractual obligations and immediately deploy Celsius's mining rigs.

Because Core's actions violate the automatic stay, they are void and without effect, and may necessitate proceedings in the Bankruptcy Court with the attendant possibility of damages, sanctions, costs, and other expenses. *See Fidelity Mortg. Inv'rs v. Camelia Builders, Inc.*, 550 F.2d 47 (2d Cir. 1976), *cert. denied*, 429 U.S. 1093 (1977); *Cent. States, Se. and Sw. Areas Pension Fund v. Slotky*, 956 F.2d 1369 (7th Cir. 1992).

The Debtors hereby demand that Core remedy its violations, withdraw its threats to withhold performance, and immediately deploy Celsius's mining rigs pursuant to the terms of the Agreement. If Celsius is not promptly provided written assurance that Core will do so, Celsius is fully prepared to take all actions available to it at law and equity, including seeking expedited relief from the Bankruptcy Court, forcing Core to perform pursuant to the terms of the Agreement, and pursuing claims for any and all damages incurred by Celsius as a result of Core's actions.

Please promptly confirm, in writing, that Core will immediately continue to honor its obligations under the Agreement and make no further attempt to terminate or otherwise fail to perform under the Agreement. If you have any questions or would like to discuss, please let me know. For the avoidance of doubt, the Debtors reserve all rights at law and in equity and waive none.

Sincerely,

/s/ Judson Brown

EXHIBIT A

MASTER SERVICES AGREEMENT

This Master Services Agreement ("Agreement") effective as of December 18, 2020 ("Effective Date") is between CORE SCIENTIFIC, INC. ("Company") and CELSIUS CORE LLC ("Client").

WHEREAS, Client desires access to locate its Client Equipment (as defined below) at the Company Facility (as defined below) and receive certain Services (as defined below); and

WHEREAS, Company desires to provide such Services at its Company Facility.

The parties agree as follows:

1. AGREEMENT STRUCTURE

a. This Agreement provides general terms applicable to Company's provision of certain services, including, without limitation, colocation, hosting, rack space, security, monitoring, maintenance, utilities, Client Equipment maintenance and repair, facility management, account management, network and data access, technical support, and heat and thermal management services ("Services") to Client in a data center owned or operated by Company or its affiliates ("Company Facility") in mutually agreed transactions described in mutually executed ordering documents in the form of Exhibit A attached hereto that reference and are governed by this Agreement ("Orders"). Each Order will be a separate agreement between Company and Client and will be deemed to incorporate the terms of this Agreement by reference. Company may require Customer to provide evidence of creditworthiness or credit support acceptable to Company in its sole discretion as a condition to accepting any Order. In the event of any conflict or inconsistency between the terms of this Agreement and the specific terms of an Order, the specific terms of the Order govern with respect to such Order.

2. SERVICES AND COMPANY FACILITY

- a. Company will provide Client the Services at a Company Facility set forth in an Order. This Agreement is not intended to and does not constitute a lease of any real or personal property or a grant of any other real property interest. Unless otherwise set forth in an Order, Client Equipment is owned by Client will not be construed as fixtures or fittings or otherwise attached to a Company Facility. Company retains title to all racking, connectors, fittings, parts and other materials used or provided by Company at a Company Facility to provide Client the Services. Client acknowledges and agrees that access to a Company Facility may be provided only during Company's ordinary business hours and only upon Company's prior written consent, which shall be subject in all events to the terms of this Agreement and may be withheld, conditioned or delayed in Company's sole discretion. Client will be liable for the actions of all persons accessing Company Facility on its behalf.
- b. Company has the right to review and the sole right to approve any delivery, installation (including, without limitation, the location and position of Client Equipment at the Company Facility), replacement or removal work with respect to Client's computer hardware or other tangible equipment ("Client Equipment") at a Company Facility. Client shall be fully responsible for delivering all Client Equipment to Company at a specified Company Facility on or before the applicable scheduled delivery date, each as specified in an Order. Client will be responsible for all risk of loss or damage to Client Equipment at all times until such Client Equipment is accepted by Company at a designated Company Facility.
- c. Client Equipment will adhere to Company's specifications, procedures, rules, and regulations, including, without limitation, equipment labeling and tracking and security practices and policies for the Company Facility, all of which are incorporated herein by this reference. If Company determines in its sole

discretion that Client Equipment or related operating software does not conform to its policies or is not suitable for the provision of Services at the Company Facility, Company may suspend installation of Client Equipment and operating software or commencement of the Services until Company approves of the Client Equipment and operating software. Company has no responsibility or liability for any loss or damage to Client Equipment, including without limitation any damage to Client Equipment, failure to adhere to any manufacturer warranty, the voiding of any manufacturer warranty or loss of or inability to collect under any manufacturer warranty, unless directly caused by the gross negligence, bad faith or willful misconduct of Company.

- d. Client is responsible for costs and expenses regarding the installation, repair, replacement and removal of Client Equipment and tariffs, taxes, shipping costs or other expenses associated with owning, shipping, importing or transporting Client Equipment. Upon any expiration or termination of an applicable Order, Company will provide Client with a written notice, which may be by email (the "Retrieval Notice"), of the date when Client Equipment is ready to be removed from Company Facility, which will be at Client's sole expense. Such notice will document the condition of Client Equipment being prepared for shipment, any outstanding amounts owed by Client to Company and Client shall have five (5) calendar days from the date set forth in the Retrieval Notice to pay any outstanding amounts owed to Company and remove at Client's sole cost and expense Client Equipment from Company Facility. Client will hold Company harmless from any damage caused to Client Equipment during such pickup and removal of Client Equipment. The failure or delay by Client to retrieve Client Equipment on or before the date set forth in the Retrieval Notice will constitute abandonment of Client Equipment under the laws of the jurisdiction where the Client Equipment is located and Company will be entitled to pursue at Client's sole risk and expense all available remedies, including, without limitation, the actions set forth in Section 4(d), as applicable.
- e. In order to continue to provide the Services, from time to time Company may request, and Client shall promptly provide, information regarding Client Equipment, Client's related operating software, Client's systems, and other information reasonably necessary in Company's provision of the Services.
- f. If software and services of a third party are requested by Client in conjunction with the Services ("**Third Party Services**") and identified in an Order, Client acknowledges and agrees that such Third Party Services are the responsibility of the third party, subject to separate terms and conditions between such third party and Client and Company accepts no responsibility for the performance of such Third Party Services or any loss or damage arising from or associated with the provision of such Third Party Services.

3. PAYMENT TERMS AND TAXES

- a. Company will invoice Client monthly in advance for all applicable fees for use of Company Facility and provision of Services as set forth in the applicable Order. Client will pay all invoiced amounts in US dollars within ten (10) calendar days of the date of the invoice. All payments must be (i) in US dollars into an ACH account number as set forth in the applicable Order; or (ii) to another account or form of payment directed by Company. Interest shall be charged on past due amounts at the lesser of (A) one and a half percent (1.5%) per month; or (B) the highest rate permitted by applicable law.
- b. Client may, in good faith, dispute any invoice or any part thereof (a "**Disputed Amount**") by submitting a written notice of such dispute along with reasonable supporting documentation within three (3) calendar days of the date of the initial invoice on which the Disputed Amount appears, failing which Client waives all rights to dispute such Disputed Amount and to file any claim. Company will review the Disputed Amount after its receipt of the relevant notice and if Company determines that Client was billed in error, a credit for the amount invoiced incorrectly will be made to the next invoice. If Company determines that the amount was invoiced correctly, Client will pay the amount by the due date of the next invoice. For clarity, Client shall promptly pay all undisputed amounts.

c. All amounts payable to Company under this Agreement exclude applicable taxes. Client is responsible for (i) taxes related to its activities and the ownership and operation of Client Equipment; and (ii) taxes imposed, levied or assessed thereon by any governmental or other authorities. If Client is required to make any deduction, withholding or payment for taxes in any jurisdiction on amounts payable to Company, such amounts will be increased such that after making such deduction, Company receives an amount equal to what it would have received if such deduction, withholding or payment had not been made.

4. TERM, TERMINATION, MODIFICATION AND SUSPENSION

- a. This Agreement commences on the Effective Date and continues until terminated as permitted by this Agreement. Each Order commences on the effective date set forth in the Order, has the initial term ("Initial Term") set forth in the Order, and thereafter automatically renews for the additional periods set forth in the Order, or if no renewal period is set forth then one (1) year periods, (each, a "Renewal term" and collectively, the "Term") unless Client notifies Company in writing not less than ninety (90) calendar days before such renewal of its desire for the order not to renew.
- b. Either party may terminate an Order upon written notice to the other party and take such other action identified in Section 4 d. below if the other party materially breaches such Order or this Agreement and fails to cure such breach within thirty (30) calendar days (5 days in the case of failure to pay an Unpaid Balance (as defined below) or 2 days in the case of failure to pay an Unpaid Balance two or more times during any twelve month period). If the breach (other than Client failure to pay amounts when due) cannot be cured within thirty (30) calendar days, the breaching party shall be given a reasonable period of time, but not to exceed sixty (60) calendar days after receipt of the notice, to cure the breach, provided that the breaching party acts promptly and diligently to cure such breach.
- c. Either party may terminate this Agreement upon written notice to the other party if there have been no Orders in effect for twelve (12) consecutive months.
- d. In addition to the remedy set forth in Section 4 b. above if Client fails to pay all invoiced amounts when due (an "**Unpaid Balance**"), or otherwise fails to perform any of its obligations under this Agreement after opportunity to cure as provided in Section 4 b above Company may, in its sole discretion, take certain actions including, without limitation, the following actions, at Client's sole risk and expense:
 - (i) suspend the provision of the Services;
 - (ii) disconnect Client Equipment and store it;
 - (iii) declare all amounts due under the applicable Order through the balance of the Term to be immediately due and payable;
 - (iv) operate Client Equipment for cryptocurrency mining and other activities at Company's sole discretion and direct all resulting proceeds to Company's own account until Company has recovered all amounts due, including, without limitation, any reinstatement, disconnection or storage fees or costs;
 - (v) terminate this Agreement and all Orders; and
 - (vi) exercise all other rights under this Agreement, at law, in equity or otherwise.

Unless Company has terminated this Agreement, Company will reverse the suspension of the provision of the Company Facility and Services and disconnection of Client Equipment as soon as reasonably practical after it is satisfied Client has cured the acts or omissions giving rise to the suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee. Thereafter, Company may, at its sole discretion, require an advance payment equal to the amount of one billing invoice.

e. Notwithstanding anything in this Agreement to the contrary, Company may suspend its provision of

all or a portion of the Services and disconnect all of a portion of Client Equipment immediately if Company determines in its sole discretion that: Client's use of the Services or Client Equipment (i) may adversely impact or pose a security risk to Company's operation or maintenance of the Company Facility or Company's other clients; (ii) may subject Company to liability; or (iii) is not in compliance with this Agreement or Company's policies. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension or disconnection. Company will use commercially reasonable efforts to reverse such suspension or disconnection as soon as reasonably practical after it is satisfied that Client has cured the acts or omissions giving rise to such suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee as set forth in the applicable Order. Further, Company may terminate this Agreement and all Orders if such suspension or disconnection continues for at least two (2) calendar days or occurs more than three (3) times in any twelve (12) month period. For clarity, during the period of suspension or disconnection, Client remains responsible for all fees and charges Client incurs during such period. Further, after the Effective Date, if Company determines in its sole and absolute discretion that as a result of any change in, or interpretation, introduction or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations, introduction or administration of the foregoing (a "Change in Law"), has resulted in an increase in Company's cost of compliance with such Change in Law then Company may, in its commercially reasonable discretion, take certain actions, including, without limitation, the following actions, at Client's sole risk and expense: (i) terminate this Agreement, any or all Orders; and/or (ii) modify the Services as may be necessary to account for such Change in Law. Company will use commercially reasonable efforts to notify Client of such Company actions and the effective date of such actions.

- f. Further, and notwithstanding the Change in Law related costs above, after the Effective Date, if there are any increases, changes in, or introduction or administration of, any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services, Company may, in its sole and absolute discretion, pass through all such amounts to Client ("**Increased Costs**") and Client shall pay all Increased Costs in accordance with the payment and invoicing procedures as set forth in this Agreement.
- g. Company shall not be liable for any Client loss or damage whatsoever as a result of the exercise of its rights under this Agreement. Upon termination of this Agreement or an Order by Company, Company is entitled to recover from Client all loss or damages incurred by Company as a result of such termination, outstanding fees, costs, charges, assessments, reimbursements, and expenses (including, without limitation, costs of collection and reasonable attorneys' fees).
- h. In addition to Section 4(f), the Company may terminate or suspend all or a portion of the Services if necessary to be in compliance with applicable law, rules, regulations, administrative or judicial orders or decree. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension. Client agrees that the Company shall have no liability whatsoever to Client for any damage, loss, expense or cost as a result of such termination or suspension.

5. WARRANTIES, LIMITATION OF LIABILITY, INDEMNITY

Company represents, warrants, and covenants that it will provide Company Facility and perform the Services in a professional and workmanlike manner. not been modified in any way from its original manufactured condition; (iv) Client Equipment is in a condition suitable for continued optimal cryptocurrency mining operations, including, without limitation, in the same manner as conducted prior to the Effective Date; (v) Client Equipment has been operated at all times indoors in an appropriate temperature-controlled environment and consistent with the manufacturer's recommended temperatures and operating conditions; (vi) Client Equipment has always been transported and/or handled in a protected manner normally expected when transporting and/or handling sensitive computer hardware; (vii) Client will use the Services only for lawful purposes, and Client will not transmit, retransmit or store material with or in Client Equipment or with or in Company Facility in violation of any federal or state law or regulations or local code, rule, regulation or ordinance; and (viii) Client will comply with applicable laws and regulations in connection with this Agreement. COMPANY HEREBY DISCLAIMS ALL RESPONSIBILITY FOR THE ACTS OR OMISSIONS BY COMPANY'S OTHER CUSTOMERS AND CLIENTS AND OTHER THIRD PARTIES.
- c. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR (I) LOST PROFITS; (II) LOSS OF BUSINESS; (III) LOSS OF REVENUES (EXCEPT THAT CLIENT SHALL BE LIABLE FOR ANY FEES OR OTHER AMOUNTS OWED TO COMPANY UNDER THIS AGREEMENT); (IV) LOSS, INTERRUPTION OR USE OF DATA OR LOSS OF USE OF CLIENT EQUIPMENT; (V) ANY CONSEQUENTIAL OR INDIRECT DAMAGES; OR (VI) COST OF COVER, ANY INCIDENTAL, SPECIAL, RELIANCE, EXEMPLARY OR PUNITIVE DAMAGES (IF APPLICABLE), EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

- f. Client hereby waives the right to bring any claim against Company arising out of or in any way relating to an Order more than one (1) year after the date such Order expires or is terminated. Each party recognizes and agrees that the warranty disclaimers, limitations of liability and remedy limitations in this Agreement are materially bargained for by the parties.
- g. Client acknowledges that cryptocurrency price movement, cryptocurrency difficulty, and legal and regulatory risks could have a material adverse impact on cryptocurrencies, cryptocurrency mining, Client Equipment, Services, and this Agreement. Client assumes responsibility for all such risks, and Company disclaims all types of liabilities or loss of funds that may arise as a result.
- h. Client shall indemnify, defend and hold harmless Company and its affiliates, stockholders, directors, officers, employees, subcontractors and invitees from and against any losses, liabilities, damages, costs and expenses (including, without limitation, reasonable attorneys' fees) arising from or relating to (i) death, personal injury, bodily injury or property damage caused by Client or Client's customers or clients or Client Equipment; (ii) breach of Client's representations, warranties, or covenants in this Agreement or in an Order or Sections 2 or 6; (iii) fraud, bad faith, negligence or willful or reckless conduct of or by Client or Client's customers or clients; (iv) Client's or Client's customers' or clients' use of the Company Facility, Services, or Client Equipment; (v) any claim whatsoever by Client's customers or clients, or any third party related to the Services or Client Equipment; or (vi) any change in, or interpretation or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations or administration of the foregoing.

6. CONFIDENTIAL INFORMATION

a. Each party acknowledges that it and its employees or agents may, in the course of performing its responsibilities under this Agreement, be exposed to or acquire information which is proprietary to or confidential to the other party, including, without limitation, business plans, strategies, forecasts and projections and information about business structures, operations, systems, finances, assets, investments, investment strategies, software and other technology systems, and personnel, customers and suppliers (collectively, "Confidential Information"). The restrictions on use of Confidential Information do not apply to information if it (i) is known to the receiving party prior to receipt from the disclosing party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing party; (ii) becomes known (independently of disclosure by the disclosing party) to the receiving party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing party; (iii) becomes publicly known or otherwise ceases to be confidential, except through a breach of this Agreement by the receiving party; or (iv) is independently developed by the receiving party. For the avoidance of doubt, the mere placement of materials or equipment containing information at a Company Facility does not constitute disclosure of such information to Company.
- c. Upon termination or expiration of this Agreement, or at any other time at the request of the other party, each party shall return to the other party, or destroy and delete, as applicable, all Confidential Information and any copies thereof in its possession or control.

Company may permit any affiliate, independent contractor or other third party to perform any of Company's obligations hereunder provided that Company remains primarily liable for the performance of its obligations. Company may assign, delegate, or transfer this Agreement or any of its rights and obligations hereunder without notice to or prior written consent of Client. A "**Force Majeure Event**" is a failure by the other party to perform any of its obligations under this Agreement if such failure is caused by events or circumstances beyond its reasonable control, including, without limitation, acts of God, war, labor strike, terrorist act, fire, flood, earthquake, landslide, hurricane, typhoon, tsunami, volcanic eruption, inclement weather, health epidemic or any law, order, regulation or other action of any governing authority or agency.

The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules & Procedures. Any award, order or judgment pursuant to arbitration ("Award") is final and may be entered and enforced in any court of competent jurisdiction, and each party shall submit to any court of competent jurisdiction for purposes of the enforcement of any Award. The arbitrator may, in the Award, allocate all or part of the costs of the arbitration, including, without limitation, the fees of the arbitrator and the reasonable attorneys' fees of the prevailing party.
- g. <u>General</u>. The rights and remedies provided for herein are cumulative and not exclusive of any rights or remedies that a party would otherwise have. The parties are independent contractors, and this Agreement does not establish any relationship of partnership, joint venture, employment, franchise or agency between them. Neither party may bind the other or incur obligations on the other's behalf without the other's prior written consent. There are no third-party beneficiaries to this Agreement. Cooley is counsel to Core Scientific, Inc. ("Core"). In that capacity, I am responding to your letter to Todd DuChene dated September 9, 2022 regarding the above referenced Master Services Agreement (the "Agreement") and various Orders that incorporate the Agreement (the "September 9 Letter"). All capitalized terms have the meanings given to them in the Agreement unless otherwise defined.

Your September 9 Letter accuses Core of "threats to terminate" the Agreement and "failure to otherwise perform under the [Agreement]." These accusations are baseless. The sole evidence cited in support of the alleged "threats to terminate" is an automatically generated message from Core's accounts payable email address. (September 9 Letter, Ex. C.) This automatically generated email cites a list of remedies for non-payment that are standard to Core's service agreements, and which appear in Section 4 of the Agreement between Core and Celsius. Notably, the automated email does not actually invoke any of the referenced remedies, let alone termination. Furthermore, there is no indication that any real person from Core initiated the email transmission to Celsius or had its debtor in possession status in mind. No reasonable person could form a belief that the automated communication constituted a threat to terminate the Agreement. ¹ To resolve all doubt, Core disclaims the automated email as an invocation of Section 4 of the Agreement.

Celsius' accusations of breach also lack merit. First, Core is not obligated to "inform Celsius of additional hosting availability." The Agreement contains no such requirement, and Core identifies no provision in the Agreement to support such a claim. Core disputes Celsius' claim that Core has failed to provide Celsius with hosting capacity in accordance with the Agreement or any Order. For example, Celsius does not allege that Core has taken any Client Equipment off-line or refused to install any Client Equipment. Celsius alleges certain delays from earlier in 2022 but does not specify any pending uncured breaches by Core, let alone any threats by Core to breach the Agreement. Moreover, any alleged breaches would be subject to the cure periods set forth in Section 4(b) of the Agreement and subject to the limitation of liability provisions of Section 5.

¹ Also notable are the extensive redactions to subsequent messages among personnel for Celsius and a non-lawyer at its outside consultants Alvarez & Marsal, casting doubt over whether Celsius actually perceived the automated email as a "threat to terminate" the Agreement. The September 9 Letter also references an alleged verbal threat to terminate the Agreement "during a phone call on August 22, 2022 email, but does not identify a source of the alleged threat. In any event Core has never invoked the termination provisions of Section 4 of the Agreement.

For these reasons, the authorities cited in the September 9 Letter are inapposite to the facts. Core reserves all of its legal rights, including without limitations, all rights as a creditor under the Bankruptcy Code.

While Celsius prematurely and without basis rushes to judgment that Core has threatened to terminate the Agreement (or is in material uncured breach), the fact remains that Celsius has accrued, and is accruing, post-petition obligations under the Agreement, and it appears that Celsius desires that its contractual arrangement with Celsius be a central piece of its reorganization plans. (See e.g. Ex. C to September 9, 2022 Letter.) If that is indeed the case, and as I'm sure you are aware (i) Celsius must perform its own monetary obligations under the Agreement during the pendency of its chapter 11 proceeding in order to continue to enjoy the benefits of a continuing relationship with Core; and (ii) to the extent it wishes to assume the Agreement, it must make the requisite showing of adequate assurances of future performance and cure its outstanding obligations, including any payments owed to Celsius at this time. Otherwise, Core will have no option but to seek remedies and relief from the Court with respect to the Agreement. The September 9, 2022 Letter is conspicuously silent on those vital issues, which are necessary to continue the current commercial arrangement. As I described in our telephone call on September 14, Core had been expecting the parties to continue in discussions of how they may wish to proceed with their relationship under the Agreement, now that Celsius is a debtor in possession. Core welcomes such discussions and is committed to engaging in good faith and reserves all rights with respect to all of the foregoing.

Sincerely.

Mark F. Lambert
